EXPERIENCE

Freelance Designer

Ohio | 2021 - Present

Remote Graphic Designer | *Wurtec*

Toledo, Ohio | November 2024 - Present

Support the Technical Communications Specialist in developing clear, brand-consistent product documentation, including user manuals, instruction sheets, safety labels, and product stickers. Create 3D part models and realistic renders for technical and marketing use. Design product logos, direct training and promotional videos, photograph products, and manage website updates and redesigns. Collaborate with engineering, production, and marketing teams to understand product functionality, streamline workflows, and recommend process improvements.

Graphic Design Intern | *Totally Promotional*

Coldwater, Ohio | May 2024 - August 2024

Collaborated with production teams to design high-quality, customized promotional products. Quickly adapted to template systems and proofing standards, ensuring print-ready designs and brand compliance. Gained a strong understanding of production workflows to make informed design decisions and manage tasks independently.

Graphics Intern | *Reynolds & Reynolds*

Celina, Ohio | May 2022 - August 2022

Designed promotional materials and logos for automotive clients using creative strategies to enhance visual impact and efficiency. Improved filing and data presentation systems to streamline workflows, reduce errors, and support faster decision-making.
